

A sleek, modern door handle with a silver finish. The handle is mounted on a dark, textured background. The brand name "KUFU" is printed in white, bold, lowercase letters on the central part of the handle. The handle has rounded ends and is secured with two circular screws. The background features a large, dark, recessed octagonal shape that frames the handle.

kufu

World's most innovative and technically advanced vehicle storage system.

“ Not *just* another drawer – these are Drawers for life”
