# AUSTRALIA'S BEST 4WD DRAWER SYSTEM

MSA 4X4 EXPLORER ALUMINIUM STORAGE DRAWER SYSTEM

Years of design, development and manufacturing knowledge goes into every MSA 4X4 product to ensure that our products are the very best they can be!

## REDEFINING 4WD STORAGE DRAWER SYSTEMS

Designed from the ground up to establish the way a quality 4WD storage system should be.

## CRASH TESTED & ADR COMPLIANT

The Explorer Aluminium Storage Drawer System has passed all the requirements prescribed by the ADRs and AS/NZS, without any structural weaknesses or degradation of the system to the extent that it would affect the safety of the vehicle occupants or other road users.

## LIFETIME GUARANTEE

The MSA 4X4 Aluminium Storage Drawer System comes with a lifetime guarantee for customer peace of mind.

## 100% DRAWER EXTENSION

The unique patented "pro-glide" slide runner system and sealed bearings allow for 100% drawer extension & access. The entire drawer comes out further than the frame! No hard to reach items in our drawers and no unpacking of contents to reach items at the back!

## FLUSH FITTING REMOVABLE WING KITS

will be available for most 4WDs and work utes, allowing access to storage areas beside the drawers.

## ACCESS UNDER THE DRAWER WINGS

now with removable wing face panels!

## SUPPORTING WING KIT BRACKETS

allow for Drop Slides and Fridge Slides to be installed onto the wings - maximising space in the vehicle.

## WING KITS DESIGNED

to clip in or bolt in to allow complete access to valuable storage space around the drawer modules.

## PATENTED 'PRO-GLIDE' SYSTEM

utilises the side of the drawers and the frame as the slide unit. The over extension using custom sealed bearings removes the need for additional slide components, maximising storage space.

## 100% SAFE & SECURE

lock system cannot be levered open from underneath.
