Tacoma (2012 - 2018) <small>*Left hand side of steering wheel (LHD)</small>				

**Ford Rangers and Holden Colorado require an aftermarket fascia to install additional switches and adaptors. Common aftermarket fascia available use the Type 1 (XRS-RJ45W1 or XRS-RJ45R1) style adaptor.

These fascia are NOT sold through GME.

For coloured XRS illumination, connect the red wire to the vehicles positive and the black wire to vehicle earth.
